

MAKE THE ROAD AHEAD MORE MANAGEABLE...

Partner with a funding source that understands your business and who will **work with you** to help ensure your success.

Our mission at **Express Freight Finance** is to foster a relationship based more on a partnership than a vendor-client relationship. We are in this together, and it takes both of us to win. We value your input and vow to listen. If you call us, we will respond. Even if you don't call us, we will respond by keeping you up to speed and up to date on your account status. Communicating with you is our commitment. We will never leave you in the dark, and we will always give our all to ensure that you have the cash flow you need to sustain your business and achieve longevity.

Partner with a funding source that understands the transportation business. Our easy to use freight bill factoring program helps you sustain and grow your business by providing quick and easy access to your cash when you need it. Wherever your cash needs occur during the load life cycle, our team of industry experts can help.
